Letter of Recommendation

CIN : FIT/APR26/DS16603

To Whom It May Concern,

13/05/2026

We are writing this letter to recommend **ZUBENATHI MATEZA,** a student of **Eduvos,** who successfully completed his internship as a **Data Science & Analytics Intern** at Future Interns.

During the internship period, **ZUBENATHI MATEZA** was engaged in structured, task-based assignments aligned with the program requirements. He demonstrated a consistent level of professionalism, responsibility, and commitment while working on assigned deliverables. His approach to tasks reflected clarity in understanding requirements and the ability to apply learned concepts in practical scenarios.

Throughout the internship, he showed steady improvement in technical understanding and problem-solving skills. He approached his work with a willingness to learn, accepted feedback constructively, and maintained discipline in meeting deadlines. His attention to detail and methodical approach contributed positively to the completion of assigned tasks.

Based on his performance and verified completion of the internship, we believe that he is well-prepared to pursue further academic or professional opportunities in related fields. We recommend him for roles or programs that value structured learning, consistency, and professional conduct.

Sincerely,

sujan.c
